

# GET IN THE SPIRIT!

## VULCAN COMPETITION FOR PRIMARY AND SECONDARY STUDENTS

The Avro Vulcan XH558, also known as The Spirit of Great Britain, with its impressive technical innovations, helped place Britain at the forefront of aircraft design nearly seventy years ago.

This iconic aircraft is now being used to enthuse and inspire future generations. We'd love you to get in the spirit and take part in our exciting school competitions to get creative with some amazing ideas to help us tell the story of the XH558 — take a look at your mission on the following pages!

### HOW TO ENTER:

Scan or photograph your entries and submit them to [emily@work-wise.co.uk](mailto:emily@work-wise.co.uk) by **1st March 2024**. Don't forget to include your name, age, and school, plus a school or adult's contact email address.

The best entries from each age group will be displayed at our fantastic Get Up To Speed with STEM careers showcase event at Magna in Rotherham on 20 March 2024.

### PRIZES:

The primary and secondary schools of the winning entries will each receive the following prizes:

- ① A class visit to see the Vulcan XH558
- ② A class STEM day run by The Work-wise Foundation
- ③ A class STEM goodie bag filled with gifts and activities

INSPIRING SKILLS AND EMPLOYABILITY

# GET IN THE SPIRIT!

## PRIMARY SCHOOL COMPETITION

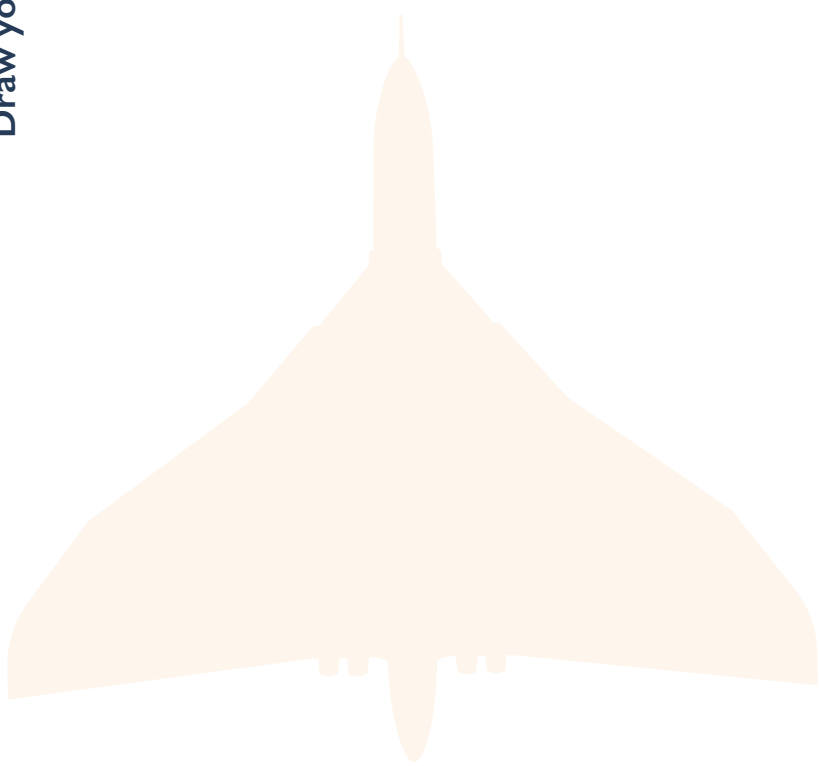

### CREATE A VULCAN SUPERHERO!

We'd love you to create a Vulcan Superhero character (but they can't be called Vulcan as Marvel Comics got there first!). Come up with a name for your Superhero and think about their superpowers linked to Vulcan Technology, and what great things they can do to help save the future of the planet.

Scan or photograph your entries and submit them to [emily@work-wise.co.uk](mailto:emily@work-wise.co.uk) by 1st March 2024. Entries can be from individuals, teams or as a class.

Draw your superhero here

and give them a **SUPER-NAME!**

What are your hero's **SUPERPOWERS?**

How will your hero help to **SAVE THE PLANET?**

# GET IN THE SPIRIT!

## SECONDARY SCHOOL COMPETITION

### GRAPHIC STORY / SHORT FILM

We'd love you to create a graphic story (using our storyboard below, or draw your own!) or a short film that tells the story of Vulcan XH558 and its contribution to British engineering from its initial design through to the modern day and explore what its future could be...

Digital files or photographs/scans of paper entries can be submitted via email to [emily@work-wise.co.uk](mailto:emily@work-wise.co.uk) by 1st March 2024. Entries can be submitted from individuals, teams or as a whole class.

The storyboard consists of four panels arranged in a 2x2 grid. The top-left panel is empty. The top-right panel contains a speech bubble. The bottom-left panel contains a speech bubble. The bottom-right panel contains a 'WOW!' comic book sound effect graphic.

 **WORK-WISE**  
INSPIRING SKILLS AND EMPLOYABILITY

While Vulcan XH558 does not fly anymore, she still has an important role to play in inspiring the next generation of designers and engineers.

By involving children from a young age, we hope to broaden their experiences and open up the world of engineering, design and creative problem-solving to give them the skills required for the world of work.

Working with our Education Partners

The Work-wise Foundation, the Vulcan to The Sky Trust has embarked on an ambitious new journey to bring to life Dr Robert Fleming's vision of the legacy of Vulcan XH558 to inspire future generations.

To learn more about our education engagement activities and the ways your school can get involved further, contact: [emily@work-wise.co.uk](mailto:emily@work-wise.co.uk)

The Work-wise Foundation is an employer-led charity focusing on Science, Technology, Engineering and Manufacturing. We support the development of young people so they have the knowledge, skills, aptitude and opportunities for employment.

The Work-wise Foundation helps the private sector take the lead in preparing young people for employment and rewarding careers. We do this by establishing links, developing programmes on training and practical guidance, and connecting employers with their future employees.
